

American Video and Security Ltd. supports Crime Stoppers of Nevada by pitching in for National Night Out 2011 in North Las Vegas!

The staff of AVS manned a booth and mingled with the participants.

The event, which took place August 2nd 2011, began in 1984 and is designed to bring neighbors together, heighten awareness about crime and drug activity and strengthen neighborhood and police relations. People from the community shared family activities, live performances and more while chatting with Metro officers about community issues.
